Aida is all smiles (with her parents and Wish Coordinator Alyssa) moments after learning her wish would come true!

Did you see our LIVE wish reveal on Facebook?

On December 28th we surprised Adia, and told her that her wish was coming true. Adia's wish granters Tom and Kavi shared that at the beginning of the wish process, Adia couldn't really understand the scope of what Make-A-Wish could do, and so at first she couldn't decide on a wish. Ultimately, recognizing how much music had helped her during all of her various cancer treatments, Adia decided to literally reach for the (music) stars. Adia's wish was to go to The 2018 Grammy Awards! To see the video of the moment Adia learned her wish would be granted, go to facebook.com/MakeAWishPHL

In the wrestling ring, the stars of WWE Monday Night Raw are strong and fearless as they face some very tough opponents. Our wish kids are all fighting their own battles against critical illnesses. It is no wonder that many wishes involve meeting the real life super heroes of the WWE. This month 6 year old Abel will take a break from his battle with cancer to meet some of his superstar favorites at WWE Monday Night Raw in NYC!

We are sending superstar fighter Abel (6), to the WWE!
