The competition is heating up! Shout out to Team **Christopher's Crusaders** and **Beanie's Babies** from Philadelphia and **Team Trotman** from Delaware who have all raised over \$1000 so far! They are well on their way to qualifying for our Grand Prize trip for 2 to the Rivera Maya! Don't forget, all teams who raise \$5000 or more are eligible to win! Send your fundraising photos to our awesome Events Intern, Dani, at walk@philadelphia.wish.org

We are very excited to introduce the emcee for our 2017 Susquehanna Valley Walk for Wishes.-**abc27 meteorologist, Dan Tomaso!** Dan's latest forecast is featured every weekend evening live during abc27 News at 6 PM and 11 PM each Saturday and Sunday! In 1997, Hurricane Danny inspired Dan to study meteorology when

the storm caught his attention due to the name. As a native of Harrisburg, he watched the local weather for fun and learned as much as he could from evening newscasts on abc27 with the StormTrack Team. Now, he is a member of that team and enjoys brining the local forecasts to all of our friends in Harrisburg and surrounding areas. Dan, we look forward to having you join us at our Walk for Wishes at Zoo America in Hershey this year!

Can you believe we are just a little over a month until our 2017 Walk for Wishes season kick-off at the Philadelphia Zoo?! AND wait until you see our awesome Walk 2017 t-shirts for this year! We will be unveiling them soon! Don't forget, for each participant that raises \$50 (including the registration fee) or more, you will receive a Walk t-shirt at the check-in area!
